Independent Accountant's Review Report

To the Board of Directors
Heart and Noses Hospital Clown Troupe, Inc.
Needham, Massachusetts

We have reviewed the accompanying financial statements of Hearts and Noses Hospital Clown Troupe, Inc., which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

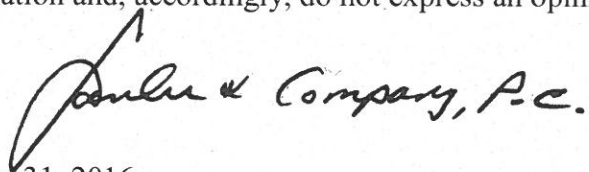

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The information in the schedules of expenses on pages 10-11 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information and, based on our reviews, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with generally accepted accounting principles. We have not audited the information and, accordingly, do not express an opinion on such information.

HEARTS AND NOSES HOSPITAL CLOWN TROUPE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014

1. Nature of Activities

Hearts and Noses Hospital Clown Troupe, Inc. (the "Organization") provides ongoing training and administrative support to develop and maintain a highly skilled clown troupe which serves a full range of medical settings including but not limited to hospitals, clinics and hospices. The clown troupe promotes healing for sick children by helping to create a cheerful, positive and joyful hospital environment for the patients and their families.

2. Significant Accounting Policies

Basis of Presentation

Generally accepted accounting principles require the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization does not have any temporarily or permanently restricted net assets at the present time.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions

A contribution received by the Organization is recognized when the donor makes an unconditional promise to give to the Organization. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

See independent accountant's review report.

2. Significant Accounting Policies (continued)

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased.

Members of the clown troupe perform as volunteers and are not paid by the Organization or by the medical facilities in which they perform. Clown services provided by the members of the clown troupe are recorded as donated services as management believes that recognizing the donated clown services in the financial statements will more accurately reflect the Organization's activities. The value of donated clown services is determined by using rates charged by professional clowns for similar performances at private functions. The value of donated clown services amounted to \$197,150 in 2015 and \$162,500 in 2014.

Members of the Board of Directors and other persons contribute significant amounts of time in administrative and fund-raising activities without being paid. These donated services are not recognized in the financial statements because they do not meet the criteria for recognition under generally accepted accounting principles.

Donated Facilities

Donated facilities are recorded as donations received and rental expense in the amount of the fair value of the premises.

Income Taxes

No provision for income taxes has been made in these financial statements because the Organization is a nonprofit corporation, exempt from income tax under section 501(c)(3) of the Internal Revenue Code. Generally accepted accounting principles require management to determine whether a tax position of the Organization is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The Organization's management has taken the tax position that its activities are not subject to income tax, and management believes it is more likely than not that this position would be sustained on examination. Therefore the financial statements do not reflect any liabilities for income taxes.

See independent accountant's review report.

3. Major Donors

Three donors provided 42% of total contributions in 2015 and 44% of total contributions in 2014.

4. Concentration of Credit Risk

The Organization maintains its cash in a bank checking account. The Organization's certificate of deposits held at December 31, 2015 and December 31, 2014 are issued by the same bank. The Organization's checking account and certificates of deposit are insured by the Federal Deposit Insurance Corporation up to a limit of \$250,000 for each bank.

5. Certificates of Deposit

Certificates of deposit at the end of the year consist of the following:
